Inner Landscapes/Outer Spaces

3. Is there an idea of a product or a final format for your research (for the ten-day phase) you would like to present?
4. What is your daily practice (both as an artist and human)?
5. What do you need (space, technical equipment, housing, etc.) to make your work possible?

Please note:

It's also possible to apply with a partner. If you plan to do so, please fill in another application form and put a sentence in it explaining why you decided to come together.

Mentoring is required. Take a look at the suggested mentors on our website.

At the end of the four double residencies another five days of common artistic process is planned. It will lead to a public performance at Alte Schule and its surrounding landscape.
